ICT and computing- there is a ks1 and ks2 strand listed please select which strand is most appropriate for specific pupils.

For programming and control please choose activities from- either EYFS, Band B or C (on SoW) as appropriate to suit pupils' abilities

E-Safety

The E-Safety long term plan details which aspects of E-safety should be covered each term. These lessons may be delivered in any subject within the timetable or as a stand alone sessions as judged most appropriately by the class teachers during the designated E-safety week,

Technology Formal primary curriculum long term plan 2017- 2022 1 lesson per week

Includes ICT and Computing , E-safety

Some parts of the long term plan may be too demanding for some pupils, staff will need to use their judgement, together with knowledge of each pupil's attainment and pace of learning, before making decisions about the delivery of each E-safety strand. Throughout the year E-safety should be reinforced when opportunities arise, where appropriate to do so.
